

SOFTENER SALT

WATER CONDITIONER

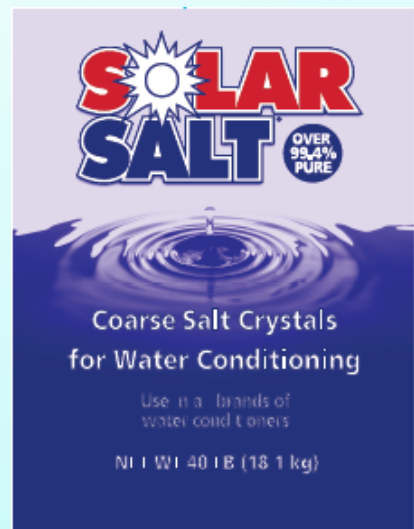

Coarse Salt For Water Conditioning

Softens water using all natural solar salt. This brand is safe for use in all brands of water softeners. With the help of our high purity salt crystals we can minimize bridging and reduce maintenance of plumbing and fixtures.

Quick Facts on our Water Conditioning Salt

- 99.7% pure salt
- Ideal for brine generation systems
- Reduces clean time for tanks, screens, pumps, etc.
- Quickly dissolves into a brine solution
- NSF certified
- Available in 40 and 50 lb bags, and 2000 lb super sacks

Use as directed by your water softener system owner's manual.
